

# YEARLY-MEETING, 1786.

(2)

RICHARD GURNEY, from the GENERAL-MEETING for ACKWORTH-SCHOOL, brought in and read the following Report; and this Meeting recommends to Friends in the several Counties and Places the Continuance of their Annual Subscriptions, to be sent up within the Year, as well as the further Aid of Donations and Annuities.

As the Attendance of Friends at the General-Meeting at ACKWORTH, to be held the last 4th Day in the 7th Month next, will be advantageous to the Institution, this Meeting recommends to the several Quarterly-Meetings, if convenient, to appoint one or more Representatives to attend the said Meeting.

## REPORT of the GENERAL-MEETING for ACKWORTH-SCHOOL, held by Adjournment in London the 9th of 6th Month, 1786.

Hereto we annex an Inventory of the Estate and Effects, with the Particulars of the Debts due to, and owing by, the Institution, as made out at the End of the Year 1785: also a State of the Accounts as they then stood, from which it appears, that the Balance of Stock in Favour of the Institution then was 7511*l.* 14*s.* 1*d.* exclusive of 3850*l.* subscribed on Annuities of 5 per Cent. on the Lives of the Subscribers and Nominees, and the Legacy of John Fothergill, of 50*l.* per Annum in Perpetuity, secured in the 3 per Cent. Consolidated Annuities.

That the Number of Children then in the School were 175 Boys and 124 Girls: Total 299. On the List for Admission were 13 Boys and 21 Girls.

We also annex a particular Account of the Annual Subscriptions, which, with other Contributions and Legacies received in 1785, amount to 1787*l.* 12*s.* 9*d.* and inform you that 191*l.* 8*s.* 6*d.* hath been since received, 50*l.* thereof being a Legacy from John Butterly, of Bainton, in Yorkshire; and that a Donation of 200*l.* in the 3 per Cent. Consolidated Annuities from Thomas Clark, of Plymouth-Dock, has been lately transferred to the Trustees.

The Supply of the Family requiring some Addition to the Farm, twenty Acres nearly adjoining were purchased last Year for Nine Hundred and Forty-Six Pounds Ten Shillings, and since that Time six Acres more, including the Inn, have been purchased at the Price of Six Hundred Pounds.

We find that from an accidental Omission on the Part of the Governors of the Foundling Hospital, the Title to the Estate purchased of them is not yet perfected; but that the Committees have taken care to invest the Money appropriated to that Purpose on such Security as to be able, without Hazard of Loss, to complete the Business as soon as the said Governors are ready.

We feel great Satisfaction in observing that the School continues to be well conducted; that the Amount of all Legacies and Donations of 50*l.* and upwards has been fully invested agreeably to the Minute of 1784; and that although a few of the Counties have not yet sent in any Subscriptions for 1785, there appears less Occasion for remarking Deficiencies in this Respect than last Year. We trust the Yearly-Meeting will judge it expedient to request the Continuance of Friends Liberality in supporting this Institution, and to recommend the Contribution of such Meetings as have not hitherto borne a due Share therein, as well as that all should be sent up within the Year for which they are raised.

Such Parents and others concerned, who are desirous of obtaining suitable Places for Children, are requested to give Six Months Notice to the Treasurer at Ackworth, in order that their Names may be entered in a Book kept for that Purpose. Friends in want of Apprentices or Servants educated in this School, are desired to inform the Treasurer, who will correspond with the Agents thereon.

The General Meeting is to be held at Ackworth as heretofore, on the last Fourth Day in the Seventh Month next.

Signed on Behalf of the General Meeting,

THOMAS CREWDSON,  
RICHARD GURNEY,  
WILLIAM DILLWYN.
